IMPORTANT NOTICE TO DOG OWNERS

Dear Dog Owner,

If you own a dog and do not buy a dog license, you could be placed on a delinquent dog license list and the delinquent dog license tax can be collected in the same manner as personal property tax. The ONLY exception for not buying a dog license is if the dog is kept for educational or scientific purposes. Dogs specially trained to lead the blind or deaf persons or to provide support for mobility-impaired persons can obtain a free dog license.

For your information, all dog license fees are deposited into a dog license fund. After deducting expenses for forms and license tags, and retaining \$1,000.00 for payment of potential dog damage claims, the balance of the fund is given to the Humane Society of Douglas County.

By purchasing a dog license, you are not only protecting your pet in the event it should become lost, you are supporting your local animal shelter.

Be a responsible dog owner and buy a license, it's the law.

Licenses can be purchased at the Gordon Town Hall office.
